

Ten Towers Trail Report

After completing their preparation stages each week, a group of enthusiastic Scouts from the 2nd Brundall Group have walked the Ten Towers Trail.

“We all thoroughly enjoyed the trail - the Scouts had the best time. We managed to get round all 10 towers - we counted Reepham’s as 2 so that made 11 for us!

The photos show some of the churches we visited. Scouts held up their fingers to show which number church they were at!

What an amazing trail you’ve created – our sincere thanks”
